

## Price list for the production of integrated photonic circuit modules

<b>Manufacturing SiO<sub>2</sub>/TiO<sub>2</sub> layers</b>	from 800 PLN
<b>Manufacturing dye/SiO<sub>2</sub> or pigment/SiO<sub>2</sub> layers</b>	from 1300 PLN
<b>Material Qualification - Optical Profilometry</b>	
1 test sample, 3 points	35 PLN
Each additional test sample or point+	15 PLN
<b>Material Qualification - Contact Profilometry</b>	
1 test sample, 3 points	45 PLN
Each additional test sample or point+	15 PLN
<b>Material Qualification - Optical Microscopy</b>	
1 test sample	40 PLN
<b>Material Qualification - Epipsometry</b>	
1 test sample	45 PLN
<b>Optical lithography</b>	from 400 PLN
<b>Electron beam lithography</b>	from 1700 PLN
<b>Material Qualification - Optical Profilometry</b>	
1 test sample	35 PLN
Each additional test sample or point +	15 PLN
<b>Material Qualification - Contact Profilometry</b>	
1 test sample, 3 points	45 PLN
Each additional test sample or point+	15 PLN
<b>Material Qualification - Optical Microscopy</b>	
1 test sample	40 PLN

Material Qualification - SEM/FIB Microscopy	from 400 PLN
Dry etching (RIE)	from 600 PLN
Nanoimprint	from 1400 PLN
Wet etching	from 140 PLN

Price list as of 29/6/2023, net prices.
